Winter 2021 Newsletter

Greetings Brothers and Sisters!

We hope this newsletter finds you safe and that you were able to enjoy the Christmas season, even if celebrations were different this year. Our brothers and sisters in Puttur are still battling the pandemic, loss of work, and hunger. Thanks to your generosity, Good Shepherd Mission has been able to provide much-needed food and blankets and continue the work of the hospital while sharing the message of the Christmas season with the community.

If you're able, please consider making a secure donation on our website (www.gsm-puttur.org) to help provide food and medical care to those who have nowhere else to turn. You can also schedule a monthly donation to sustain the Mission's services throughout the year.

We hope you enjoy seeing the photos from the Christmas celebrations and reading about the good work of the mission, which is done thanks to your support. We wish you a healthy and happy start to the New Year, and we thank you for being part of our community!

Thank you for supporting GSM in our fundraisers!

All of the proceeds raised at the Kauffman's Chicken BBQ and Texas Roadhouse Dine to Donate and Gift Card sales in the Fall went directly to the Good Shepherd Mission.

Due to pandemic restrictions, we have not been able to host as many fundraisers as in a normal year. Please consider supporting us with a donation to ensure the work of Good Shepherd Mission can continue.

Winter 2021 Newsletter

Greetings Brothers and Sisters!

Thanks to your generosity, Good Shepherd mission has been able to provide meals and small gifts to the community in celebration of the Christmas season. For the past several years, the mission has hosted a Christmas meal. Due to COVID-19, celebrations looked a little different this year.

Instead of hosting a large Christmas meal at the mission, the team has been bringing food and blankets out to the local community. As weather has turned colder, the homeless need even more support. Many in the surrounding villages have lost work and are struggling due to the pandemic, and so this outreach is critical, especially in the winter months.

Throughout December, Good Shepherd continued their support by hosting Christmas family events throughout the community. Thanks to your generous donations, we were able to share meals, music, and the spirit of the Christmas season with the people in surrounding villages.

During the holidays, the daily work of the hospital was more important than ever. Medical procedures and transfusions continued to provide life saving treatment to the community. One local woman was so sick and weak she needed to be carried to the hospital. After treatment, she is now doing much better. Thank you for all your support, and please consider becoming a monthly donor so that Good Shepherd can continue this important work in the new year. Help us reach our goal of adding 10 new monthly donors in 2021!
