ask me permission to one day they want to feed people, who come to prayer, they doing small business. I thank Jesus for there faithfulness. In village ministries we are reaching youth, next generation follow Jesus helping over come from all youth challenges.

Every Saturdays we are going different direction for youth meets, four small towns regularly. karvetinagaram, puttur, nagari, pichatur 4 towns names. Brothers and Sisters, I want to share heart melting conversation with one of the boys from orphanage. Last month in heavy rains government declared 3 days holidays. Most of the children went home. but 2 children stayed at my home. I asked one boy why you are not go to home. He said, sir my grandma cooks

food one time in the morning only, that is also very little, I do not have food sir, that is why I am staying sir.

Brothers and Sisters, my heart was broken, how many children and people are starving every day. that is why, Jesus chose Good shepherd. to create hope, joy, happiness for their future. I am asking Jesus in my prayer, Lord use me more and reach to poor and help them ,what way I can help them. In Good shepherd English medium school, brothers and sisters,

hundreds of children getting good education, most of them gentiles, we love every one with love of Jesus. praying for there great future,

Brothers and Sisters there are lot of needs in school. pray for that. And recently

we conduct special youth meet nearly 900 people came. and blessed through that meeting. (mount Sinai) our

evangelists going jungle villages to share the Gospel. Building many lives. brothers and sisters, as told recently heavy rains, weather is very cold, I feel in my heart to ask our children and people, who stay at our mission house having blankets or not. Most of them said no. I ask one of our staff to go to, buy good blankets, which protect them from cold weather. We gave to them all. Brothers and sisters Christmas is the season to share Love of Jesus. poor people are straggling for cold weather, so we paling to buy blankets and prepare special food feed them, they never had that kind of good food. Please pray for it. They are many things happened every day, papers cannot enough to write. Thank you so much for all your love and prayers for good shepherd mission.
